

## **Security Report for Homeowners of Crestmont: July, 2015**

Intervention Group has been working diligently during these summer months in response to the anticipated increase crime, including tracking crime patterns outside of Crestmont. Your IGI/Crestmont officers are updated daily with crime stats and crime waves that most likely will be attempted or have occurred in Crestmont. As a result, IGI has staged a heavy patrol presence throughout the nighttime hours. Vehicle break-ins continue to be the main issue in Crestmont and officers continue to observe and monitor vehicles and persons acting suspiciously in an effort to deter those criminal acts.

Despite a heavy patrol during late July, including unmarked IGI cars, officers were unable to observe or contact parties responsible for egging a resident's home. However, the increased patrol presence did eliminate the behavior.

Intervention patrols during the day have occurred at strategically and effectively-managed times that have proven results-oriented as seen by the decrease in home break-ins or attempts.

Intervention Group officers responded to **17** calls from Crestmont residents regarding security issues; all calls were cleared. In addition, IGI officers escorted **12** non-residents away from Crestmont upon making contact and determination they had no reason to be in the area.

Residents should never hesitate to contact IGI for any reason...our officers are very appreciative of resident awareness and safety participation and would prefer to respond in a proactive manner as opposed to a crime that has occurred. Please call IGI at (877) 272-8765 when you notice anything out of the ordinary!

### **Home Alarms**

IGI responded to **6** alarm calls. There was no evidence of criminal activity, but rather alarms resulting from sensor malfunctions or user error. IGI will promptly respond to any home alarm in concern of person or property emergency, but also in hopes that you will avoid a City of Oakland false alarm fine.

### **Vacation Requests**

IG received **9** requests for Vacation Watch during March. There were zero incidents of crime or attempts while registered homeowners were away. Note: IGI will not accept verbal vacation watch requests; please complete the IGI Vacation Watch form.

**Garage Doors:**

There were 7 residents unaware that they left their garage door open.
